

NEWINGTON FOREST COMMUNITY ASSOCIATION
2010 POOL REGISTRATION FORM

Pool Registration Information

Long time residents know that for one of those annual rites of spring in Newington Forest is pool registration. If you plan on spending some time by the pool this summer you will need to either register to use the pool or update your pool registration in May. All residents who plan to use the pool must have current pool passes to gain admittance to the pool during the pool season.

Residents with passes from a previous year should check the section entitled *Express Pool Registration* to see if they qualify. Residents needing a new picture or those whose passes don't have bar-codes or the year 2010 on the front will need to plan on attending one of the registration sessions noted below.

Residents new to the community, or those who have not registered to use the pool before, will need to attend one of the registration sessions noted below. You will need to bring along all the family members who live in the house so that each new pool member can have their very own pass made. Pool passes are needed for children beginning at age one.

Express Pool Registration: Do You Qualify?

In order to qualify for *express* registration you must meet all of the following criteria:
you must have pool passes from a previous year;
pool passes must have a bar code and be imprinted on the front with the year 2010;
no one in the family needs a new pass (children turning 1, 5, 13 & 16 by 8/1/10 will need a new pass);
renter's must provide, along with the pool registration form, a letter from the property owner turning over their pool privileges;
the property assessment account must be up to date; and
there can be no outstanding covenant violations for your property.

If you meet all of these criteria you can use the *express* pool registration and fill out the form. You can mail your form, no passes, to the Association Office at 8201 Southrun Rd., Springfield, VA. 22153, or drop it off at the Association Office, by no later than April 30, 2010. You must provide an e-mail address in the space indicated on the form to receive acknowledgment of your registration.
